Sponsorship Opportunity

We are pleased to offer you a special opportunity to associate your business with youth soccer in the Pasadena-Altadena-La Cañada area.

AYSO Region 13 will hold its annual Spring Break Tournament the weekend of April 5-6, 2008, on fields outside the Rose Bowl in Pasadena. We expect 104 teams, 1,500 players, and over 3,000 friends and family members to attend, from all over Southern California.

Our sponsors will receive recognition in the tournament program and on our website. Any sponsor who contributes at least \$1,000 will have its name displayed on one of the goals. For further information email Tournament Director Calvin House at td@ayso13.org, or call him at (626) 533-1899.

The mission of the American Youth Soccer Organization is to provide quality youth soccer programs where everyone builds positive character through participation in a fun, family-oriented soccer environment. Our program is distinguished by its commitment to our five basic philosophies—everyone plays, balanced teams, open registration, positive coaching and good sportsmanship.

Help support our program and promote your business through your sponsorship contribution.
