### Sporting behavior

The referee team evaluates sporting behavior of the coaches, players and spectators, appropriate to the division and level of play. Were the coaches collegial? Were the players considerate of their opponents? Did the spectators cheer positively (not coaching their own kids), and clean up afterwards? That's what to expect in a typical game. A typical game is 3. Exceptionally good is 5. Bad is 1. Stopped the match is 0. If not 3, explain so that we can identify potential problems before they get worse. Also describe any events worth mentioning or requiring additional follow-up.

Coaches 5 4 3 2 1 0

Players 5 4 3 2 1 0

Spectators 5 4 3 2 1 0

### Injuries, misconduct, sanctions, & comments

Check if any

Did anyone leave the game because of an injury? Were any coaches or spectators mean? The coach should also report injuries -- see <https://ayso13.org/safety>

Why do referees wear specific socks? In 10 years, these kids will be 140 lbs, and if they kick the referee, it will hurt. Pay it forward and wear the uniform proudly now to teach the players to notice and avoid the referee's legs.
